A TASTE OF BOTH VILLAGE AND TOWN LIVING

Manor View is a fantastic collection of new homes on the edge of the Buckinghamshire countryside. Nestled between the village of Wavendon and Milton Keynes, living here will give you the best of both worlds.

Wavendon is a historic village that is just a five to ten minute walk from this attractive development. The village includes a 13th century church, delightful country gastropub and the famous 'The Stables' music venue. Founded by two well-known jazz musicians The Stables is a hugely successful venture and regularly hosts internationally renowned performers, as well as youth and educational events.

For those days when you are feeling a bit more adventurous Milton Keynes is the place to go. The city started out as a 'new town', and was planned from the start to comprise a natural balance of sustainable housing and modern facilities. It is intertwined with lakes and acres of green spaces, as well as various trails for those who like to get out and about.

Milton Keynes is famous for its shopping and even the most avid fans will not be

disappointed. At the heart of the town is Centre:mk - one of the largest shopping malls in the country, boasting around 200 stores. Here you will find all the big name brands you could ever want, as well as lots of cafés and restaurants to keep you refreshed.

In line with its status as one of the country's youngest towns, there is a real buzz and energy about Milton Keynes. It's no surprise then, that it is a haven for those who are fanatics of adventurous sports. As well as its professional football and hockey teams there is an ice skating rink at Planet Ice, skiing at Xscape and indoor sky diving at iFLY, as well as the popular Willen Lake, which is great for watersports. There is also an abundance of outdoor parks, which hold multiple events - from children's entertainment to running races.

For a quieter, more sedate activity, there is a theatre, two large cinemas, a separate open-air amphitheatre, and two arts centres. Yes, there is no chance you'll get bored in Milton Keynes!

For when you want a pleasant day out at the weekend, just a five mile bike ride or car trip away is the fabulous Woburn Safari Park. As well as all the exotic animals you could ever dream of, there are lots of fun activities for the kids including Go Ape, train and boat rides and fantastic outdoor parks.

Combining the youthful energy of Milton Keynes with the quiet charm of Wavendon and the surrounding countryside, Manor View will make the perfect home for you and your family.
