THE PERFECT MIX OF WATERSIDE CITY LIVING

Centenary Quay is an exciting collection of 1 & 2 bedroom apartments and 4 bedroom houses, set within a fantastic waterside location.

Choose your home at Centenary Quay and you will experience an exciting new world of modern, waterside living. This is an amazing location where you can enjoy stunning views of the river and the city of Southampton beyond. The aim of the designers was to build a new vibrant community, one based around the love of nature and with the objective of being as self-sufficient as possible. That's why you will see pretty courtyards, trees and gardens dotted about, while some rooftops feature plants and wildlife nesting boxes. Imagine strolling out of your front door and being at the water's edge within a few minutes. Perhaps you will see a stunning cruise ship full of excited passengers off on a Caribbean

adventure. Maybe then you will choose to have a coffee at one of the cafés and bars on the waterfront.

For when you fancy a faster pace of life, a short trip across the river takes you into the buzzing city of Southampton. As one of the south's largest cities there is lots to see and do here. Serious shoppers will love West Quay with its major high-street stores and well-known cafés, pubs and restaurants. For history lovers there are some great museums including the SeaCity Museum with its interactive model of the Titanic, and the Solent Sky museum which has vintage aircraft on display like the famous Spitfire.

When you feel like getting out for the day there are some fantastic places to visit. One of the highlights close by is the stunning New Forest National Park with its beautiful scenery, paths and cycling trails. There is also Bournemouth with its lovely sandy beaches, and the historic town of Winchester is less than 20 miles away.

Centenary Quay is an amazing place to live and call home. With its idyllic waterside living, combined with excellent transport links, you really can enjoy the best of everything this fantastic location has to offer.
